Dear Customer,

Equipment Terms of Sale

Warranty: all warranties are set by manufacturer who dictates the conditions and duration of coverage on any given electrical apparatus. Pevonia International will replace any defective items sold for 30 days after purchase. After 30 days, items must be returned directly or via Pevonia International to be sent to the manufacturer for repair. Most manufacturers try to handle repairs in a timely manner.

Exchange of equipment ordered in error or equipment not to customer's expectation is possible by calling customer service and obtaining a Return Authorization Number. The customer will be liable for all freight charges and a restocking fee of 20%. Shipping charges are not refundable. Pevonia International does not accept used equipment. All equipment must be returned in original packaging.

Please sign and return to Pevonia International.

I agree to the above conditions,
